

Bansen Farms

Free-Spirited and Bold

You are not like everyone else. Neither is Bansen Farms. Why conform to traditions or styles that don't match your spirit? For a wedding unlike the others, you need Bansen Farms.

The backdrop for a lifetime of memories, your venue should be unique. Iron windows that swing open to catch the afternoon air, dreamy hammocks, tall grass fields, quiet woods, and sparkling lights create a magical atmosphere for you and your guests.

With a vintage boho style, Bansen Farms is ideal for non-traditional couples looking for more than a big room (we have that too!). Experience the light-hearted atmosphere of guests mingling in multiple gathering spots, dancing on a checkered floor under a disco ball or in the grass under the stars, playing games, making s'mores over the firepit, or offering a toast at the silo bar.

The wedding site? Take your pick! We offer a site in the woods for a mountain rustic vibe, a green field bordered with tall grasses, and an indoor space with shiplap walls and open rafters.

Create your magic at Bansen Farms!

To Reserve Your Date

To hold your date, a signed contract and payment of deposit must be on file. The remaining balance is due 30 days before wedding. Your deposit is non-refundable but is transferable with a fee.

Vendor Requirements

You are welcome to use vendors of your choice, if they provide liability insurance coverage (minimum of one-day coverage). Or, we can recommend vendors that have been to Bansen Farms and did an excellent job. A wedding coordinator is required.

Liability Insurance

As protection for you and Bansen Farms, a custom one-day liability insurance policy must be provided. This is liability protection for accidents, damages, etc. You may use your personal insurance agency or we can recommend companies. Your policy must cover rehearsal and wedding dates.

Capacity

The barn can comfortably accommodate 80 seated guests. Vendors and venue staff are not included in this count.

Dogs

We understand puppy love! Your dog is welcome to be a member of your bridal party!

Romantic Farmhouse

After rehearsal, the bridal party moves to the farmhouse for a peaceful night's rest before the BIG DAY (warning: excitement may lead to a giggly late night).

The next morning it's breakfast with mimosas in the dining room followed by hair and make-up in the breakfast nook. By mid-day final touches and first looks are happening in the sun room.

Dramatic Exits

From leaving the farmhouse on the way to the wedding to leaving the reception to kick off the honeymoon, Bansen Farms offers so many backdrops, it will be difficult to pick just one!

Photos

Prior to the wedding, we invite you to schedule 'Save The Date' and wedding dress bridals at Bansen Farms.

You Will Come Back

Milestone photo sessions and farmhouse stays are in your future! You may leave, but you will always come back to Bansen Farms!
